15503

Was the scene of a struggle between SEVERUS and NIGER, in which the latter was defeated with the loss of 20,000 men, and he himself was slain.

194

Septimius Severus besieged
Byzantium.

194-284AD

Emperors are appointed by ^{some}
the Army

Mar 1944

Niger was defeated and killed.

Mon or Apr 194

The final decisive battle took place near Issus on the plain where Alexander the Great had defeated the Persian King Darius III 500 years before. Niger's forces proved no match for the northern legions, and were cut down as they fled. Niger took horse toward the south but was overtaken in the suburbs of Antioch and beheaded. His supporters were ruthlessly punished and many of them chose to take

refuge with the Partisans
